

BRENTWOOD COMMUNITY ASSOCIATION

PLAYGROUP

A children's cooperative playgroup is returning for the 2011-2012 year at the Brentwood Sportsplex Hall. Brentwood Cooperative Playgroup is a place where parents and caregivers share the work and provide a fun, safe atmosphere for children to play and socialize. We also enjoy snack time, a craft, playdough table and circle time for songs and stories. Parents have a chance to meet neighbours and form new friendships. In keeping with the nature of a cooperative, caregivers will take turns being responsible for clean-up, crafts and playdough. Everyone supplies their own snacks.
