**\*U16/18 League :** The Mixed Premier League will be a mix of girls and boys. The Mixed Modified Gold League will be a mixed team with a maximum of 4 boys per team. The league the Brentwood U16/18 mixed team plays in will not be known until the end of registration (after all players have registered and we know how many girls/boys are playing soccer in this age group). At this time a decision will be made as to which league and therefore, which days of the week, the Brentwood team will play. Players will be notified of this. In the event Brentwood cannot field an all boys team, players will be asked to consider playing in another community such as Triwood, Rosemont, Parkdale, etc.
